

IM FUND TOKEN

White Paper

INTRODUCTION

IM Fund Token (IMFT) is a token issued by IM Fund.

IM seeks Integrated Management of Fund.

We seek integration of Education, Health and other sectors into Blockchain.

We seek management by the cryptocurrency.

Our ambition is decentralization of Educational, Research, Health and Entrepreneurship sectors.

#IMFT

DECENTRALIZATION

#IMFT is designed solely to be run by the people, for the people.

We seek the community to take the responsibility.

Everyone is like a drop that forms the ocean of this decentralized community.

We see potential in each person.

CONCLUSION

“The sky is the limit.”

Didn't human curiosity penetrate the sky?

Yes! Indeed!

Soon Crypto will penetrate every sector.

“Change is the law of nature.”
